

Request for Proposal (RFP) for Furnish & Install of Concrete

Project Overview: The Town of Akron is seeking proposals from qualified contractors to furnish and install concrete for a downtown outdoor seating area located at 250 Main Avenue. The scope of work includes approximately 10,500 square feet of flat surface area for seating with a curved edge, which will abut to astroturf, one corner ADA curb ramp, and 12,820 square feet of sidewalk, including site preparation and concrete installation.

Scope of Work:

1. Site Preparation:

- Removal of existing surface materials.
- Grading and leveling the site as required.
- Installation of any necessary base materials for concrete installation.

2. Concrete Installation:

- Furnishing all materials and labor for the installation of:
 - 10,500 square feet of flat surface area for seating with a curved edge to meet the astroturf.
 - One corner ADA curb ramp.
 - 12,820 square feet of sidewalk.
- Proper pouring, finishing, and curing of concrete.
- Ensuring proper drainage and surface durability.
- Seamless integration with surrounding surfaces and structures.

Project Location: 250 Main Avenue, Akron, Colorado

Project Size:

- 10,500 square feet of flat surface area for seating with a curvy edge to meet the astroturf.
- One corner ADA curb ramp.
- 12,820 square feet of sidewalk.
