Request for Bids: Street Light Footers Installation and Sidewalk Repair

1/10/2025

Project Overview

The Town of Akron is soliciting bids for the installation of **18 concrete footers** to support new downtown streetlights as part of a larger downtown improvement project. This project will also include necessary sidewalk repair associated with the footer installations, as well as filling and repairing sidewalks where potholing was performed during conduit boring for the light pole installation.

Scope of Work

1. **Concrete Footer Installation:** Construct 18 concrete footers to specified dimensions and standards to support the new downtown streetlights. Each footer must include the available conduit to accommodate electrical wiring for the light posts.
2. **Sidewalk Replacement and Repair:** Replace and repair sidewalk sections as necessary to accommodate footer installation.
3. **Pothole Filling and Repair:** Fill and repair sidewalk sections disturbed during conduit boring for the light pole installations.
4. **Site Cleanup:** Ensure the site is clean and safe, with all debris properly disposed of upon project completion.
