## **Request for Bids: Hail Damage Painting Project**

**5/22/2025**

The Town of Akron is accepting bid proposals from qualified contractors for a hail damage painting project involving four municipal properties.

Work includes painting or paint touch-up at the following locations: Cemetery Equipment Shed #1, the south side of 233 Main Avenue, Town-owned Airport Building #4 (commonly known as the Old FAA Building), and touch-up painting of Airport Buildings 14 A, B, and C (Roundtop and adjacent sheds to the west).

The selected contractor will be responsible for providing all labor, materials, equipment, and necessary preparation work to complete painting in accordance with industry standards and applicable safety regulations.

Interested contractors are strongly encouraged to schedule a site visit prior to submitting a proposal. Site visits can be arranged directly with the Town of Akron's Public Works Director, Michael Swadener, by emailing [mswadener@townofakron.com](mailto:mswadener@townofakron.com) or calling (970) 554-0729.

Proposals must be submitted via email with the subject line "Hail Damage Painting Project Proposal" to [mswadener@townofakron.com](mailto:mswadener@townofakron.com) no later than Monday, June 23, 2025, at 5:00 p.m. Late submissions will not be considered.

The Town of Akron reserves the right to reject any or all proposals, to waive informalities or irregularities, and to accept the proposal deemed in the best interest of the Town. Contractors must provide proof of insurance and all applicable licenses upon award. This project is part of the Town's broader recovery effort following 2023 hailstorm damage, and we appreciate your interest in partnering with us.
