

Dear Akron Residents,

We would like to inform you that, effective January 1, 2025, all trash service customers in the Town of Akron will be required to use standardized trash cans that are compatible with our trash collection trucks.

The standardized trash cans have been designed to ensure efficient and effective waste collection. Please refer to the picture below and details for specifications.

Key Points:

- **Compatibility:** The trash cans must fit the design and specifications outlined in the attached details.
- **Availability:** Trash cans meeting these requirements can be purchased from the Town of Akron or any other supplier. *If purchased through the Town, we offer payment plans and free delivery.*
- **Timeline:** Starting January 1, 2025, only these standardized trash cans will be accepted for trash collection. *We will no longer be able to pick up any trash can that does not meet these guidelines.*

For more information or to purchase a trash can from the Town of Akron, please call 970-345-2624.

Thank you for your cooperation as we make this transition to improve our waste management services.

Sincerely,
Town of Akron
