

Town of Akron to Sponsor 50/50 Tree Program

The Town of Akron is once again sponsoring its 50/50 tree program. Residents living in the city limits of the Town of Akron can purchase trees to be planted within 15 feet of the street at half cost. The Town of Akron will match half of the cost of those trees.

Trees are purchased from Little Valley Wholesale Nursery in Brighton, and average around 2” inches in diameter unless noted differently in the description. Trees are available on a first come first-serve basis as the budget allows. Trees may be purchased for other areas of a homeowner’s yard at the full field price. People outside of the city limits may also purchase trees at the full field price. The trees will be delivered around the middle of May 2023. If you need more information on the type of tree, please stop by the Town Office for more information.

The DEADLINE to order trees is APRIL 1, 2023. THIS FORM MUST BE RECEIVED BY THEN.

Please complete the order form below and return to the Town Office. If you intend on taking part in the program, you will be required to sign a maintenance agreement at the Town Office.
