GILLIAN LAYCOCK

TOWN CLERK, TREASURER

DENCIA RAISH

To all Akron Water Users,

As we head into the warmer months, the Town of Akron is implementing seasonal watering restrictions to help conserve our community's water supply. Starting from May 1st, outdoor watering is not permitted between the hours of 10:00 a.m. and 6:00 p.m.

These restrictions are being put in place to reduce evaporation and make sure we're using water in the most efficient way possible. Watering in the early morning or evening helps your lawn stay healthy while also preserving this important resource for everyone.

We appreciate your cooperation in helping us protect our water supply. Together, we can make a meaningful impact and ensure Akron stays resilient through the dry season.

If you have any questions about this policy or about how to use water more efficiently at home, please don't hesitate to contact Town Hall at (970) 345-2624.

Thank you for doing your part.

Sincerely,

Town of Akron
